Docket No.: 509982005800

**REMARKS**

Claims 26, 30, 54, 55, and 56 have been amended. Applicants respectfully request entry of these changes, which are minor and primarily correct formal matters. In particular, the alphabetic labels used in claims 26, 30, 54, and 55 have been amended to account for the first step, which had not been previously labeled. The term "developing" has been changed to "obtaining" in claims 54 and 56 to correspond more appropriately to an instruction to a computer.

In the event the U.S. Patent and Trademark office determines that an extension and/or other relief is required, Applicants petition for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to Deposit Account No. 03-1952 referencing docket no. 509982005800. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.
